IMPORTANT - READ CAREFULLY: This End-User License Agreement ("Agreement") is a legal contract between you ("Licensee") and Echorbit Audio OÜ ("Licensor") governing the use of music content purchased from Echorbit Audio's website. By purchasing, downloading, or using the music content, you agree to the terms of this Agreement. If you do not agree, you may not use the content.

1. DEFINITIONS

Content: Refers to the music track(s) provided by Echorbit Audio under this Agreement, including associated files (wav and/or stems).

License Types: Echorbit Audio offers three licenses for each music track: Standard License, Premium License, and Exclusive License.

Stems: Refers to individual audio files of separate musical elements within the track (e.g., vocals, drums).

2. GRANT OF LICENSE

Echorbit Audio grants you a non-exclusive, non-transferable right to use the purchased Content in accordance with the specific license type selected and subject to the limitations described in this Agreement.

2.1 STANDART LICENSE

The Standart License grants the Licensee specific rights to use a single wav file of the purchased music content, with all ownership and control of the content retained by Echorbit Audio. This license is subject to the following terms and conditions:

License Scope:

Single-User, Non-Exclusive License: This license grants permission for a single user to use the Content, and it is non-exclusive. Echorbit Audio reserves the right to license the same Content to other users without restriction.

Ownership Rights: Echorbit Audio maintains full and complete ownership of the Content. Licensee does not acquire any rights to the Content other than those explicitly granted under this Standart License.

Permitted Uses:

YouTube and Online Monetization: Licensee may monetize the Content on YouTube and similar online video-sharing platforms. This includes adding the Content to monetized videos and productions, provided it remains part of a larger audiovisual production.

Additional Usage Rights: This license allows use in personal or commercial projects for online media, social media posts, and other non-exclusive projects.

Limitations:

Non-Transferable: The Standart License is non-transferable. Licensee may not sell, sublicense, assign, or otherwise transfer the Content to any third party.

Redistribution Prohibited: Licensee is prohibited from distributing, selling, sublicensing, or otherwise redistributing the Content as a standalone audio file or in any library format.

Exclusive Use Excluded: Since this license is non-exclusive, Licensee acknowledges that Echorbit Audio may re-license the same Content to other users. Licensee has no right to restrict Echorbit Audio from licensing the same Content to additional parties.

Content Alteration: Licensee may not edit, alter, or adapt the Content in a way that would misrepresent Echorbit Audio's ownership or imply exclusive rights beyond those granted here.

2.2 PREMIUM LICENSE

The Premium License provides the Licensee access to both the single wav file and individual audio stems of the Content. This license is also non-exclusive, allowing Echorbit Audio to license the Content to other users.

License Scope:

Single-User, Non-Exclusive License: This license allows the Licensee to use both the main wav file and the stems of the Content, and it is non-exclusive. Echorbit Audio retains the right to license this Content to other users at its discretion.

Ownership Rights: Echorbit Audio retains full ownership of the Content. This license does not transfer any ownership rights or exclusive use to the Licensee.

Permitted Uses:

YouTube Monetization: Licensee is permitted to monetize the Content on YouTube or similar online platforms as part of a larger audiovisual production, subject to platform policies.

Film and Multimedia Use: Licensee may use the Content in film productions, multimedia presentations, and other creative projects, provided these uses align with the non-exclusive nature of the license.

Online Advertising and Social Media: The Content may be used in digital advertisements, promotional videos, social media, and similar media.

Limitations:

Non-Transferable: This license is strictly for single-user use and is non-transferable. Licensee may not resell or assign any rights granted under this license.

Exclusive Rights Not Granted: This license is non-exclusive, meaning Echorbit Audio may license the same Content to other users. Licensee has no authority to prevent additional licensing of the Content by Echorbit Audio.

Content Redistribution Restrictions: Licensee may not distribute the Content as a standalone product, incorporate it into a sample library, or use it in a product intended primarily as a sound product (e.g., soundscapes or albums that consist solely of the licensed Content).

AI and Machine Learning Restrictions: The Content may not be used to train AI or ML models without specific authorization from Echorbit Audio.

Modification and Attribution: Any modification or adaptation of the Content must not imply ownership or exclusive rights beyond the scope of this license. Licensee is required to attribute the Content accurately if used in public or commercial works as part of a larger production.

GENERAL TERMS APPLICABLE TO BOTH LICENSE

Payment and Delivery: Licensee will receive download links upon completion of payment. These are final purchases; downloaded Content cannot be returned or refunded.

Monetization Limitations: Echorbit Audio grants the right to monetize Content on platforms like YouTube, with potential revenue shared between Licensee and platform policies. Additional revenue considerations or monetization requirements may be subject to specific terms outlined by each platform.

Liability Disclaimer: Echorbit Audio is not responsible for any incidental or consequential damages resulting from the use of the Content. Licensee assumes full responsibility for compliance with third-party platform policies and guidelines when using the Content.

Termination and Violations: Any violation of the terms in this Agreement will result in immediate termination of the license, with Licensee forfeiting all rights to the Content. Echorbit Audio reserves the right to take further legal action in cases of copyright infringement or unauthorized distribution.

Users who try to get past the copy protection or otherwise violate the terms of this licensing agreement are subject to criminal and civil penalties and liable for monetary damages. Please respect our work and do not copy it. The more support we get from you, the more and the better products we will be able to release in the future.

CHANGES OF EULA

Echorbit Audio reserves the right to revise, update or change certain terms of this EULA for security, legal, best practice, or regulatory reasons. Such changes will be effective with prior notice to you via email. If any future changes to this EULA are unacceptable to you or cause you to no longer be in agreement or compliance with this EULA, you may terminate this EULA and uninstall the CONTENT and all copies thereof. Your continued use of the CONTENT following any revision to this EULA constitutes your acceptance of all such changes.
